

Legend

- 200 Contour of Equal Difference in Groundwater Elevation (feet)
- Management Zone Boundaries
- Water Service Area Boundary
- Hydrologic Chino Basin

Other Map Features

- Unconsolidated Sediments
- Consolidated Bedrock
- Faults
(solid where known, dashed where approximated, dotted where concealed, queried where uncertain)
- ⋯ Groundwater Barrier (suspected fault)
- ↕ Groundwater Divide
- Spreading Ground Area
- Waterways & Reservoirs
- Major Roads & Highways

CHANGE IN GROUNDWATER ELEVATIONS FROM 1997 TO ULTIMATE CONDITIONS WITHOUT OBMP
