2. Consider Approval of Volume Vote for Non-Agricultural Pool

*Motion by Garibay, second by Moorrees, and by unanimous vote – Non-Ag concurred
Moved to approve Consent Calendar item A through D, as presented*

II. BUSINESS ITEM

A. 2010 Community Outreach Campaign

Mr. Manning stated for the past four years Watermaster has participated in a public information campaign with Inland Empire Utilities Agency (IEUA), who is the lead agency, along with other water agencies. This is a public message about the water infrastructure growth, a conservation message, along with recycled water education to ensure the public is informed as to what the water agencies are doing to assist in these areas. Mr. Manning stated the bond measure will be coming up in 2010 for election and staff feels this campaign is a good one to continue with to make sure the public understands the need for additional infrastructure. Watermaster in working with IEUA and the Los Angeles newspaper group have helped develop another informative campaign. The cost is the exact same as last year; Watermaster portion is \$10,000. Mr. Manning offered a detailed description of past ads and what the present ads will entail. A discussion regarding this matter ensued.

*Motion by Craig, second by Kinsey, and by unanimous vote – Non-Ag concurred
Moved to approve the 2010 Community Outreach Campaign expenditure of \$10,000.00, as presented*

III. REPORTS/UPDATES

A. WATERMASTER GENERAL LEGAL COUNSEL REPORT

1. Chino Airport Water Quality Update

Counsel Fife stated Watermaster staff has been working on two of the plumes in the Chino Basin; Ontario International Airport (OIA) and Chino Airport. There has been a fairly good response from the potential responsible parties (PRPs) on the OIA plume however; there has not been as good a result from the County of San Bernardino regarding the Chino Airport plume. Recently there has been a slightly better response from the county and counsel has had some engagement from the county counsel. A meeting has been scheduled with the county staff and counsel for next week along with the Chino Desalter Authority, the County of San Bernardino, and Watermaster staff will be involved in that meeting. There are high hopes from the parties that some resolve will come about. Counsel Fife stated the main reason for this item to be on the agenda is to inform the parties there might be some insurance involvement on the county side and which might need a lawsuit filed in order to trigger the ball moving forward on an agreement. Counsel Fife stated he will keep all parties apprised as to what is going on in the future regarding this matter.

2. DYY Update

Counsel Fife stated in August 2009 the concept of the waiver of losses on the Metropolitan Water District (MWD) DYY account was approved. This was part of a package that was supposed to involve the expansion of the account from 100,000 acre-feet to 150,000 acre-feet; however, there are a lot of issues that still need to be dealt with regarding this. A meeting took place outside the pool meetings after the approval in September 2009 as to what the next steps would be. The first issue to be dealt was an accounting dispute between the Chino Desalter Authority (CDA) and MWD over how to reflect the replenishment costs to the CDA which then went into the calculations of the LRP funding. Since then, the financial staff from different agencies have been talking and attempting to get all involved on the same page to what needs to be taken care of sequentially. After that first issue is resolved the next item on the list will be dealt with.

B. WATERMASTER FINANCIAL REPORT

1. Financial Update

No comment was made regarding this item.

C. ENGINEERING REPORT

1. State of the Basin Report

No comment was made regarding this item.

D. CEO/STAFF REPORT

1. Legislative Update

Mr. Manning commented on the upcoming bond measure and gave a detailed description of it. Mr. Manning noted there is some interesting information regarding legislative issues on the back table which was handed out at the recent ACWA conference.

2. Recharge Report

Mr. Manning stated because of the meeting push up date, this month's recharge spread sheet will not be available until the Advisory Committee meeting.

3. Scheduled Board Changes for 2010

Mr. Manning stated a copy of the court approved rotation schedule for representatives to the Watermaster is on the back table. Mr. Manning reviewed the changes that will come up in 2010. Mr. Manning noted a letter has gone out to the minor reps and the City of Chino who will be coming into the rotation schedule. A discussion regarding how the rotation schedule will be reformulated after the 2015 date that is listed on the spreadsheet ensued. Counsel Fife stated he will do a look up on the questions presented and give an update at a future meeting.

4. Manning 4th Annual Holiday Gathering

Mr. Manning invited all parties to join him and his wife for their 4th Annual Holiday Open House at their home on Thursday, December 17, 2009 starting at 4:00 p.m.

C. CHINO BASIN WATERMASTER INVESTMENT POLICY

Resolution 10-01 Resolution of the Chino Basin Watermaster, San Bernardino County, California, re-authorizing the Watermaster's Investment Policy

RESOLUTION 10-01

**RESOLUTION OF THE CHINO BASIN WATERMASTER,
SAN BERNARDINO COUNTY, CALIFORNIA, ESTABLISHING
A WATERMASTER INVESTMENT POLICY**

WHEREAS, the normal and prudent operation of the Watermaster's daily business generates cash balances, operating and fund reserves; and

WHEREAS, the cash management system is designed to accurately monitor and forecast expenditures and revenues on behalf of Watermaster, thus enabling the Watermaster to invest funds to the fullest extent possible; and

WHEREAS, the cash funds are to be placed in investments authorized for public agencies of the State of California (Judgment Paragraph 23); and

WHEREAS, Watermaster deems it to be in the best interests of the parties to the Judgment to delegate the authority to invest and reinvest the funds of Watermaster to the Watermaster Finance Manager subject to the provisions of its Investment Policy and the ongoing review and control of Watermaster and the Watermaster Advisory Committee.

WHEREAS, it is the Watermaster's policy to annually review, update, and adopt an investment policy;

NOW, THEREFORE, BE IT RESOLVED, by the Chino Basin Watermaster that:

Section 1. The authority to invest and reinvest funds of Watermaster is hereby delegated to the Watermaster Chief Executive Officer (and his/her designees) subject to the provisions of said Investment Policy and the ongoing review and control of Watermaster and the Watermaster Advisory Committee.

Section 2. This resolution shall take effect from and after its date of adoption and Resolution 09-01 is rescinded in its entirety.

APPROVED by the Advisory Committee this 21ST day of January 2010.

ADOPTED by the Watermaster Board on this 28th day of January 2010.

CHINO BASIN WATERMASTER

INVESTMENT POLICY

1.0 POLICY

WHEREAS; the Legislature of the State of California has declared that the deposit and investment of public funds by local officials and local agencies is an issue of statewide concern; and

WHEREAS; the legislative body of a local agency may invest monies not required for the immediate necessities of the local agency in accordance with the provisions of California Government Code Sections 5922 and 53601 et seq.; and

WHEREAS; the Chief Executive Officer ("CEO") of the Chino Basin Watermaster ("Watermaster") shall annually prepare and submit a statement of investment policy and such policy, and any changes thereto, shall be considered by the Board of Directors at a public meeting;

NOW THEREFORE, it shall be the policy of the Watermaster to invest funds in a manner which will provide the highest investment return with the maximum security while meeting the daily cash flow demands of the Watermaster and conforming to all statutes and judgments governing the investment of Watermaster funds.

2.0 SCOPE

This investment policy applies to all financial assets of the Watermaster. These funds are accounted for in the annual Watermaster audit.

3.0 PRUDENCE

Investments shall be made with judgment and care, under circumstances then prevailing, including, but not limited to, the general economic conditions and the anticipated needs of the Watermaster, which persons of prudence, discretion and intelligence exercise in the management of their own affairs; not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived. The standard of prudence to be used by investment officials shall be the "prudent investor" standard California Government Code (53600.3) and shall be applied in the context of managing an overall portfolio. Investment officers (the CEO and his/her designees) acting in accordance with written procedures and the investment policy and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and appropriate action is taken to control adverse developments.

4.0 OBJECTIVES

When investing, reinvesting, purchasing, acquiring, exchanging, selling and managing public funds, the primary objectives, in priority order, of the investment activities shall be:

1. Safety: Safety of principal is the foremost objective of the investment program. Investments of the Watermaster shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. To attain this objective, diversification is required in order that potential losses on individual securities do not exceed the income generated from the remainder of the portfolio.

2. Liquidity: The investment portfolio will remain sufficiently liquid to enable the Watermaster to meet all operating requirements which might be reasonably anticipated.

3. Return on Investments: The investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the investment risk constraints and the cash flow characteristics of the portfolio.

5.0 DELEGATION OF AUTHORITY

Authority to manage the investment program is derived from the Judgment Paragraph 23, and from California Government Code 53600, et seq. Management responsibility for the investment program is hereby delegated to the Advisory Committee, who with the CEO shall establish written procedures for the operation of the investment program consistent with this investment policy. Procedures should include references to: safekeeping, repurchase agreements, wire transfer agreements, collateral/depository agreements and banking service contracts, as appropriate. Such procedures shall include explicit delegation of authority to persons responsible for investment transactions, such as the Chief Financial Officer. No person may engage in an investment transaction except as provided under the terms of this policy and pursuant to Watermaster rules and regulations 2.16, derived from the Judgment, Paragraph 23. The Board shall be responsible for all transactions undertaken and shall establish a system of controls to regulate the activities of subordinate officials. Under the provisions of California Government Code 53600.3, the CEO is a trustee and a fiduciary subject to the prudent investor standard.

6.0 ETHICS AND CONFLICTS OF INTEREST

Officers and employees involved in the investment process shall refrain from personal business activity that could conflict with the proper execution of the investment program, or which could impair their ability to make impartial investment decisions.

7.0 AUTHORIZED AND SUITABLE INVESTMENTS

The Watermaster is empowered by California Government Code 53601 et seq. to invest in the following:

1. Negotiable certificates of deposit issued by a nationally or state-chartered bank, a savings association or a federal association (as defined by Section 5102 of the Financial Code), or by a state-licensed branch of a foreign bank. Purchases of negotiable certificates of deposit may not exceed \$500,000 in any one Bank at a time.
2. Local Agency Investment Fund (LAIF) in Sacramento, CA.

Such investments shall be limited to securities that at the time of the investment have a term remaining to maturity of five years or less, or as provided above.

8.0 COLLATERALIZATION

All certificates of deposit must be collateralized. Collateral must be held by a third party trustee and valued on a monthly basis.

9.0 DIVERSIFICATION

The Watermaster will diversify its investments by security type and institution. Assets shall be diversified to eliminate the risk of loss resulting from over concentration of assets in a specific maturity, a specific issuer or a specific class of securities.

10.0 REPORTING

The Watermaster Chief Financial Officer shall prepare Monthly Investment Reports which reflect investment transactions for review by the Pool Committees and the Advisory Committee prior to presentation to the Watermaster Board at their next regularly scheduled meeting.

Following formats used in prior years, said Investment Report will reflect the following information.

- a. Funds held in each Bank at the beginning and ending of the reporting period; and
- b. Investments deposited and/or redeemed by type and by Bank (including interest rates, days invested and maturity yield rates) during the reporting period; and
- c. Investments outstanding at the close of the reporting period (including interest rates, days invested and maturity date); and
- d. Elements effecting the change in Watermaster's cash position; and

- e. A statement signed by the Chief Financial Officer as to the ability of the cash on hand to meet foreseen expenditures during the next six months.

11.0 INVESTMENT POLICY ADOPTION

The Investment Policy shall be adopted by resolution of the Watermaster on an annual basis. The Policy Statement will be reviewed by each Pool Committee. Should any Pool Committee recommend revisions to the Policy Statement, it shall be amended prior to presentation to the Advisory Committee for their review and comment. If necessary the Policy Statement will be further amended to reflect the comments of the Advisory Committee. The final Policy Statement will then be presented to the Watermaster Board for adoption at the next regularly scheduled meeting.

LA water quality low

Report gives supply a bad ranking

Dana Bartholomew

Created: 12/15/2009 08:31:47 PM PST

The quality of Los Angeles' drinking water ranks among the lowest of large U.S. cities and contains nearly four times the average number of chemical pollutants, according to a study released Monday.

The environmental report rated Department of Water and Power drinking water at 83rd out of 100 cities because of its cocktail of 30 chemical contaminants.

One cancer-causing chemical exceeded federal legal standards, while 14 other chemicals surpassed recommended health guidelines, according to the report.

In comparison, the agency that supplies potable water to 19 million residents around the city of Los Angeles ranked 58th. Metropolitan Water District of Southern California tap water contained 27 chemicals, most of them unregulated and legal, but potentially unsafe.

"Looking at the data, we're definitely concerned about water quality in Southern California. We recommend utilities really look at their processing. There's much room for improvement," said Olga Naidenko, a senior scientist at the Environmental Working Group, a

nonprofit environmental watchdog based in Washington, D.C., and a co-author of the report. "We recommend residents get water filters."

The DWP did not respond to a request for comment. However, a water-quality report it issued last year said Los Angeles met or surpassed all health-based drinking water standards.

An MWD spokesman said its water quality also exceeds state and federal standards, with detailed drinking water reports available to the public at www.mwdh2o.com.

"We stand behind the safety of our water supplies," said Bob Muir, an MWD spokesman in Los Angeles.

In its unprecedented report, the environmental group examined 20 million tap water quality tests performed over the past five years by 48,000 water utilities.

The upshot: American drinking water contained a potentially toxic soup of 316 chemical pollutants, most of them not subject to health and safety regulations, according to researchers. The U.S. Environmental Protection Agency has set enforceable standards for a third of them.

The unregulated chemicals include the rocket fuel component perchlorate, the weed killer metolachlor, the refrigerant Freon, and radon, a highly radioactive gas.

The chemicals in America's tap water were attributed to factory farm waste, pesticides, fertilizer and sediment; sewage and urban runoff; industrial chemicals; water treatment and distribution by-products; and natural processes that produce more contamination as a result of development and deforestation.
