

RESOLUTION 03-04

**RESOLUTION OF THE CHINO BASIN WATERMASTER,
RECOMMENDING THAT THE INLAND EMPIRE UTILITIES AGENCY FILE A
GRANT APPLICATION TO THE CALIFORNIA DEPARTMENT OF WATER
RESOURCES ON BEHALF OF THE CHINO BASIN WATERMASTER AND THE
CHINO GROUNDWATER BASIN**

WHEREAS, The California Department of Water Resources offers funding to assist local agencies with the construction of groundwater conjunctive use facilities, and

WHEREAS, The Chino Basin Optimum Basin Management Plan recommends that the groundwater basin be enhanced as a means of 'drought-proofing' the Chino Basin through conjunctive use programs including groundwater storage, groundwater recharge, treatments, and extraction activities.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Directors that the Inland Empire Utilities Agency file, for, and on behalf of the Chino Basin Watermaster, a Financial Assistance Application for a grant/loan from the Department of Water Resources for the planning, design, and construction of certain conjunctive use related projects.

ADOPTED by the Chino Basin Watermaster Board this 29th day of May 2003.

Chairman, Watermaster Board

ATTEST:

Secretary, Chino Basin Watermaster
